CASE NO. 9:11-CR-32

DAVID DUNMAN

**FINDINGS OF FACT AND RECOMMENDATION ON GUILTY PLEA  
BEFORE THE UNITED STATES MAGISTRATE JUDGE**

By order of the District Court, this matter is referred to the undersigned United States Magistrate Judge for administration of the guilty plea under Rule 11. Magistrate judges have the statutory authority to conduct a felony guilty plea proceeding as an “additional duty” pursuant to 28 U.S.C. § 636(b)(3). United States v. Bolivar-Munoz, 313 F.3d 253, 255 (5th Cir. 2002).

On October 3, 2011, this cause came before the undersigned United States Magistrate Judge for entry of a guilty plea by the Defendant, David Dunman, to Counts One (1) and Forty-nine (49) of the Indictment. Count One of the Indictment alleges that beginning in or about 2007, the exact date being unknown, and continuing thereafter through September 30, 2010, in the Eastern District of Texas, David Arthur Dunman, Deanna Sunshine Turner, Jennifer Jon Holliday, and Crystal LeAnn Keisler, defendants, did knowingly and intentionally combine, conspire, confederate, and agree together with each other and with others unknown to the Grand Jury, to knowingly and intentionally manufacture 50 grams or more of a mixture or substance containing a detectable amount of methamphetamine, a Schedule II controlled substance, in violation of the laws of the United States, to wit, 21 U.S.C. § 841 (a)(1). Count Forty-nine alleges that on July 20, 2010, in the

Eastern District of Texas, David Dunman did knowingly and intentionally possess pseudoephedrine, a List 1 chemical, with intent to manufacture a controlled substance, or with knowledge or reasonable cause to believe that the listed chemical would be used for the unauthorized manufacture of a controlled substance, namely a mixture or substance containing a detectable amount of methamphetamine, in violation of 21 U.S.C. § 841(c)(1) and (c)(2) (Possession of a List 1 Chemical).

After conducting the proceeding in the form and manner prescribed by Federal Rule of Criminal Procedure 11, the undersigned finds:

- a. That Defendant, after consultation with his attorney, has knowingly, freely and voluntarily consented to the administration of the guilty plea in this cause by a United States Magistrate Judge in the Eastern District of Texas subject to a final approval and imposition of sentence by the District Court.
- b. That Defendant and the Government have entered into a plea agreement that was disclosed and addressed in open court, entered into the record, and placed under seal. Defendant verified that he understood the terms of the plea agreement, agreed to the Government's summary of the plea agreement, and acknowledged that it was his signature on the plea agreement. To the extent the plea agreement contains recommendations and requests pursuant to FED. R. CRIM. P. 11 (c)(1)(B), the court advised the Defendant that he has no right to withdraw the plea if the Court does not follow the particular recommendations or requests. To the extent that any or all of the terms of the plea agreement are pursuant to Rule 11(c)(1)(A) or (C), the undersigned advised Defendant that he will have the opportunity to withdraw his plea of guilty should the Court not follow those

particular terms of the plea agreement.<sup>1</sup>

c. That Defendant is fully competent and capable of entering an informed plea, that Defendant is aware of the nature of the charges and the consequences of the plea, and that the plea of guilty is made freely, knowingly, and voluntarily. Upon addressing the Defendant personally in open court, the undersigned determines that Defendant's plea is knowing and voluntary and did not result from force, threats or promises (other than the promises set forth in the plea agreement). See FED. R. CRIM. P. 11(b)(2).

d. That Defendant's knowing and voluntary plea is supported by an independent factual basis establishing each of the essential elements of the offense and Defendant realizes that his conduct falls within the definition of the crimes charged under 21 U.S.C. §§ 846 and 841(c)(2).

#### **STATEMENT OF REASONS**

As factual support for Defendant's guilty plea, the Government presented a factual basis. See Factual Basis and Stipulation. In support, the Government would prove that David Dunman is one and the same person charged in the Indictment and that the events described in the Indictment occurred in the Eastern District of Texas and elsewhere. The Government would also have proven, beyond a reasonable doubt, each and every essential element of the offense as alleged in Counts One

<sup>1</sup>"(3) Judicial Consideration of a Plea Agreement.

(A) To the extent the plea agreement is of the type specified in Rule 11(c)(1)(A) or (C), the court may accept the agreement, reject it, or defer a decision until the court has reviewed the presentence report.

(B) To the extent the plea agreement is of the type specified in Rule 11(c)(1)(B), the court must advise the defendant that the defendant has no right to withdraw the plea if the court does not follow the recommendation or request.

(4) Accepting a Plea Agreement. If the court accepts the plea agreement, it must inform the defendant that to the extent the plea agreement is of the type specified in Rule 11(c)(1)(A) or (C), the agreed disposition will be included in the judgment.

(5) Rejecting a Plea Agreement. If the court rejects a plea agreement containing provisions of the type specified in Rule 11(c)(1)(A) or (C), the court must do the following on the record and in open court (or, for good cause, in camera):

(A) inform the parties that the court rejects the plea agreement;

(B) advise the defendant personally that the court is not required to follow the plea agreement and give the defendant an opportunity to withdraw the plea; and

(C) advise the defendant personally that if the plea is not withdrawn, the court may dispose of the case less favorably toward the defendant than the plea agreement contemplated." FED. R. CRIM. P. 11(c)(3)-(5).

and Forty-nine of the Indictment through the testimony of witnesses, including expert witnesses, and admissible exhibits. In support of the Defendant's plea, the undersigned incorporates the proffer of evidence described in detail in the factual basis and stipulation, filed in support of the plea agreement and the Defendant's own statements made during the plea proceeding.

Defendant, David Dunman, agreed with and stipulated to the evidence presented in the factual basis. Counsel for Defendant and the Government attested to Defendant's competency and capability to enter an informed plea of guilty. Defendant agreed with the evidence presented by the Government and personally testified that he was entering his guilty plea knowingly, freely and voluntarily.

#### **RECOMMENDED DISPOSITION**

**IT IS THEREFORE** the recommendation of the undersigned United States Magistrate Judge that the District Court accept the Guilty Plea of Defendant which the undersigned determines to be supported by an independent factual basis establishing each of the essential elements of the offense charged in Counts One and Forty-nine of the Indictment. It is also recommended that the District Court defer accepting the plea agreement until the District Court has reviewed the presentence report. Accordingly, it is further recommended that Defendant, David Dunman, be finally adjudged guilty of the charged offenses under Title 21, United States Code, Sections 841(c)(2) and 846.

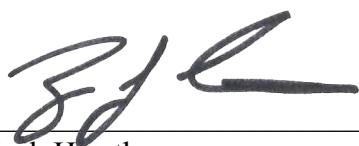

The District Court should defer its decision to accept or reject the plea agreement until there has been an opportunity to consider the presentence report. If the plea agreement is rejected and Defendant still persists in the guilty plea, the disposition of the case may be less favorable to Defendant than that contemplated by the plea agreement. Defendant is ordered to report to the United States Probation Department for the preparation of a presentence report. Defendant has the

right to allocute before the District Court before imposition of sentence.

### **OBJECTIONS**

Objections must be: (1) specific, (2) in writing, and (3) served and filed within fourteen (14) days after being served with a copy of the report. See 28 U.S.C. § 636(b)(1); Fed. R. Civ. P. 1(a), 6(b), and 72(b). A party's failure to object bars that party from: (1) entitlement to de novo review by a district judge of proposed findings and recommendations, see Rodriguez v. Bowen, 857 F.2d 275, 276-77 (5th Cir. 1988), and (2) appellate review, except on grounds of plain error of unobjected-to factual findings and legal conclusions accepted by the district court, see Douglass v. United Servs. Auto. Ass'n, 79 F.3d 1415, 1417 (5th Cir. 1996) (en banc). The constitutional safeguards afforded by Congress and the courts require that, when a party takes advantage of her right to object to a magistrate's findings or recommendation, a district judge must exercise its nondelegable authority by considering the actual evidence and not merely by reviewing and blindly adopting the magistrate's report and recommendation. See Hernandez v. Estelle, 711 F.2d 619, 620 (5th Cir. 1983); United States v. Elsoffer, 644 F.2d 357, 359 (5th Cir. 1981) (per curiam).

SIGNED this 6th day of October, 2011.
